

## PSALM 20

**M**ay the Lord watch you, in troublous days; the name of Jacob's God, keep you always.

- 2 Send forth His aid, from His holy place; support you from Zion, the mount of His grace.
- 3 Remembering all, the offerings you make; and ev'ry burnt offering, may the Lord take. (Pause)
- 4 Give you according, to your heart's desire; bring to completeness, the plans you require.
- 5 We'll shout with salvation, praise God everywhere; raise up our flag, as He answers your prayer.
- 6 Now I know that the Lord, saves His anointed man; He listens from heaven, shows His strong mighty hand.
- 7 Some trust in chariots, horses the same; but we will remember, our God's mighty name!
- 8 Those all who so trust, sink down fallen and low; but we rise and repeat, His fame where e'er we go.
- 9 O Lord open wide, and set us all free; Your king the Messiah, will answer our plea.
