

## PSALM 67

**B**end Your favor to us, God we seek Your grace; ever with You, by Your glowing face.

- 2 We'll make known Your path, throughout every land; of Jeshua (Messiah), to each tribe and band.
- 3 The nations lift their hands, God in praise to You; and all nations worship, You alone are true.
- 4 Let them shout with joy, Messiah's rule just; for he'll guide and judge, the earth as he must.
- 5 The nations lift their hands, God in praise to You; and all nations worship, You alone are true.
- 6 The land will give wealth, fruit of its increase; God Who is our God, bless and meet all our need.
- 7 Truly God will bless, with the goodness He sends; revered by all people, unto earth's far ends.
